

Compost and Mulch Voucher

Redeem this voucher to receive up to one – cubic yard of compost or mulch at no charge

The City of Del Mar and Waste Management have partnered with the City of San Diego's Miramar Greenery to offer City of Del Mar residents and businesses the opportunity to pick-up, up to one cubic yard of compost or mulch per year at no charge. By using compost and mulch in your yard and gardens, you can add important nutrients to the soil, improve plant root growth, reduce water run-off, and conserve water.

Here are some important guidelines that need to be followed to make sure your experience at the Miramar Greenery is a good one.

- Bring proof of City Del Mar residency. This can be either a driver's license or copy of a utility bill.
- One voucher per resident or business per year. Voucher expires 6/30/19.
- Be prepared with the proper tools or equipment to load your vehicle or truck.
- Miramar Greenery will load compost/mulch into open bed trucks at no cost. You may also self load your vehicle at no charge. Landfill staff cannot assist with self loading vehicles.
- If you are transporting material in an open bed vehicle or trailer, you will need to place a secured tarp over the material before leaving the landfill.
- Miramar Greenery closes its gates at 4:30 PM, but requires all loading of material to be completed by 4:00 PM.
- If you purchase additional material, Miramar Greenery accepts only cash or checks. No credit cards are accepted.

See the back for additional information.
