

John Spelich- Candidate Statement

Del Mar is in a storm caused by state/federal lawmakers and regulators wielding mandates, often with conflicting objectives and requirements. This has caused our most contentious issues and threatens significant economic damage to our town. Train track relocation, affordable housing mandates, and regulating short-term rentals are all influenced by outsiders. We must form a united front within the city, respond with consensus positions driven by commonsense solutions. If elected, I will work to unify Del Mar to protect our residents and businesses.

Del Mar needs Council members who demonstrate good judgment and advocate for and deliver the best results for our residents. As an attorney, current Del Mar Planning Commissioner, former senior executive at several global corporations, and former major newspaper journalist, I'm no stranger to tumultuous times. My experiences will allow me to help find practical solutions while focusing on preserving what we all love about Del Mar. I will join the tradition of standing strong for our residents and supporting all who have worked so hard to make Del Mar such a great place to live and work. Please vote John Spelich for Del Mar City Council.
